

WebCrawler

Habib University – Programming Fundamentals

Fall Semester 2020

Project Manual

M. Jazzel Mehmood (CE)

Durr-e-Sakina Somji (CS)

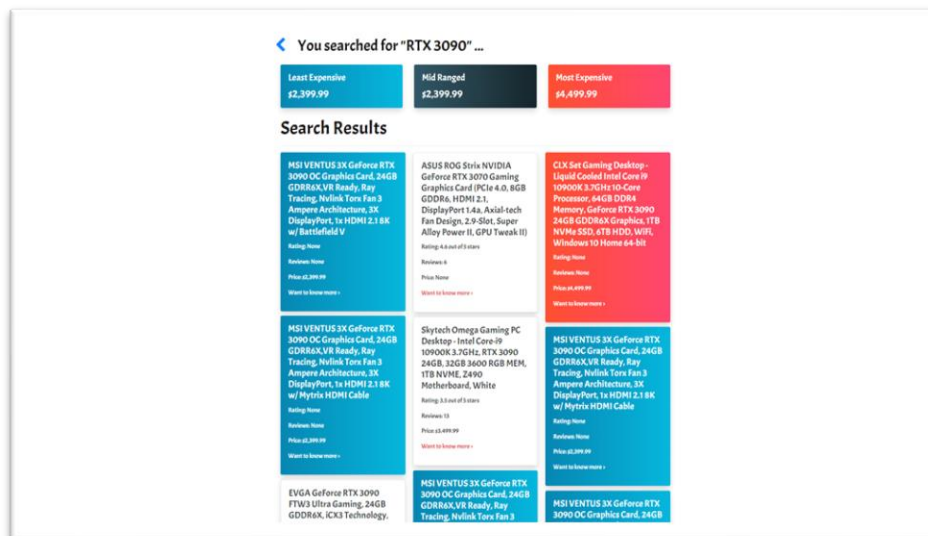

Hamna Mansoor Rafi (EE)

Application Usage

- Open <https://hu-web-crawler.herokuapp.com/> or run locally by going through the **Available Scripts** section.

- Search for any product like "Samsung Note 20".

- Least Expensive, Mid ranged and Most expensive priced products and their further specifications and options are shown with the same background colour below to guide you through the result.
- Also, you can click on " Want to know more > " to get to the product source page.
